

MOTORCYCLE STARS WILL GATHER HERE FOR COMING RACES

Walker, Ludlow, Burns and
Other Stars Will Compete
Here Next Sunday.

Interest in motorcycle racing is expected to be even more highly developed in this city by a week from tonight than it ever has been in the past.

Promoter E. P. Wegner has announced that he has signed up practically the same field that appeared here previously in races to again display their wares on the Springfield track, Sunday, Aug. 7.

This means that Gene Walker, Freddie Ludlow, Shrimp Burns and a host of other celebrities of the cycle saddle will renew their strife to decide the premier rider. The above trio appear to be on equal footing and there is little to choose between any of them. They are the most daring and speediest riders who have ever appeared on a half mile dirt track. Barring accidents and unforeseen occurrences next Sunday's program should be by far the best card ever staged in this city, if not possibly in the middle west.

Men Evenly Matched.
The feature event of the races July 18 was the five-mile event, in which Walker and Ludlow raced neck and neck for the entire ten laps, Ludlow finally winning by about two spokes. Every race on the last card was thrilling and bitterly contested and the rivalry which has been born out of past races between the riders will certainly have a great effect in making the coming event by far superior to any previous races.

Announcement has also been made that the track will be chemically treated to remove all dust. With this added inducement it is expected that the program will be the best attended of any this season.

"WONDER GIRL" OF FRANCE WILL MEET BEST IN AMERICA

Suzanne Lenglen Sails From
France and Will Exhibit
Skill Here.

NEW YORK, July 30.—France's "wonder girl" of the tennis courts soon will be seen in action on this side of the Atlantic. Mile Suzanne Lenglen, International Woman's champion, sailed from France today to compete in our National championships and a series of exhibition matches for the benefit of devastated France.

The coming of Mile. Lenglen is of unusual interest. Her mission on this side of the pond is as big as was that of Georgia Carpenter.

Carpenter came to this country in an attempt to conquer one opponent in short, Mile Lenglen comes to compete against a score of the best women tennis players in this country and her task will not be light by any means.

Many Worthy Opponents.
Mrs. Molla Bjurstedt Mallory, holder of the national singles championship is expected to head the list of American stars who will dispute Mile Lenglen's attempt to win the title. Mrs. Mallory is still in Europe, but is expected to return here in plenty of time for the women's national championship tournament at Forest Hills, August 15. In addition there will be Mrs. May Sutton Bundy, Miss Mary Browne, and Miss Helen Willis. Miss Edith Siskinney, Mrs. Marion Zinderstein Jessup and Mrs. Benjamin Cole of Boston; Miss Eleanor Goss and Miss Helene Polak of New York; Mrs. Corrine Gold of St. Louis and Miss Bobbie Esch of Cleveland.

The French player is scheduled to make her first appearance at Greenwich, Conn., and will take part in some ten exhibition matches under the auspices of the American committee for devastated France and the United States Lawn Tennis association.
